GLAZED BRICK

Introducing Pacific Clay's Glazed Brick Series!

3/4" x 2 1/4" x 7 5/8"

- Offering raw, natural-looking textures and inherent color ranges, Gran Brique creates a warm inviting appearance that is seldom achieved through the use of tile.
- The perfect material for any architectural project requiring a clean, low maintenance surface, while seeking an edgy, vibrant, and electrifying appearance.
- With its striking look and low maintenance design, it combines both form and function like no other product on the market.
